Comments - LoomHouse HomePage

MemberDev   Jan 23 2019:

We added a shopping cart icon to each page so that the customer knows how many items are in the shopping cart and can view it at any time

MemberDev   Jan 23 2019:

In the footer section I added links to the loom house social media pages.

MemberDev   Jan 23 2019:

Here will be a brief overview of the company and where it all started.

MemberDev   Jan 23 2019:

my thoughts here for the final section are to have an image of the loomhouse location

MemberDev   Jan 23 2019:

This section will display a unique grid where a customer can click on the image, weather its art, rugs, or furniture

MemberDev   Jan 23 2019:

This "CTA" button allows the user to drop directly on the "Shop" page to view the product offerings.

MemberDev   Jan 23 2019:

Here will be a "header Call to action" We can add Loohouse deals, and product offerings.

MemberDev   Jan 23 2019:

Here we use a scrolling hero section to display different images.

Comments - About

MemberDev Jan 23 2019:

We would like to use PROFESSIONAL photos of both Barbie and Hemad here.

MemberDev Jan 23 2019:

The Bio section is where we will discuss Hemad and Barbies background. with more links to the social media channels.

MemberDev Jan 23 2019:

We will display a few product images, maybe eve someone making a rug since they're hand made, or other images.

MemberDev Jan 23 2019:

Here we added a brief product overview, what loomhouse offers and where some of the product come from.

Comments - Shop

MemberDev   Jan 23 2019:

We added a"scroll to the items so the customer can view some of the products using the scroller icons here.

MemberDev   Jan 23 2019:

From there the customer will be able to view the specific products using the "shop all _____ products"

MemberDev   Jan 23 2019:

The shop page will display the product offerings from loomhouse with images of Rugs, Art, and furntiture

Comments - Product-Furniture

MemberDev   Jan 23 2019:

Customers will have the ability to add a single Item to their cart using the "add to cart" button

MemberDev   Jan 23 2019:

I placed some text under furniture so that Loomhouse will be able to add some insight to their customers about the quality and craftsmanship of their furniture
